

THE FOUNDER BUILDING BOTH THE PRODUCT AND THE RECORD

A profile route through creative ambition, technical execution, evidence discipline, and the unresolved strain of a live dispute.

STORY ANGLE

WORLD-BUILDING, PRODUCT ENGINEERING, AND DOCUMENTARY PRESERVATION BECAME ONE FOUNDER’S WORKLOAD.

The live product and development record establish what Lucky Machines was building. The evidence system documents a later operational burden without reducing the founder's work or identity to the dispute alone.

QUICK READ

WHAT THE RECORD SHOWS

- 1. Racerverse is a working browser-native digital-toy world, not solely a legal campaign.
- 2. The source room ties selected claims to public artifacts, transactions, company statements, and a live docket.
- 3. The founder's interpretation and experience are first-person material, not neutral adjudicated fact.

REPORTER CHECKS

AVAILABLE VERIFICATION RECORDS

- A live product demonstration and dated development materials.
- Founder testimony about changes in creative and technical decisions.
- Mattel's public statements and available response channels.

PUBLICATION GUARDRAIL

EVIDENCE BOUNDARY

The TTAB matter is pending. No final merits decision has issued.

Public records establish chronology and publication, not access, copying, intent, actual confusion, causation, damages, private approval routing, licensor knowledge, or the Board's future ruling. Attribute Lucky Machines' positions and first-person accounts. Seek Mattel's response independently.
